At any time of the year, you may have need of after school care for your child. Our after school program is designed to provide your child with hours of fun in a supervised, safe environment.

Your child will have time to complete homework and will receive a nutritious snack in a supervised, quality environment.

In our fun and productive environment, each child has the opportunity to develop special friendships and enhance social skills.

If you would like to sign up for Eagle's Club, please complete, detach, and return the form below.
An insurance waiver form must also be included.
