

## Transform Your Child!

*These students are peer leaders, athletes, One-Act Play winners, Student Council officers, honor roll stars...just for starters!*

Our students learn from teachers who give twice the amount of attention as other schools. Personalized, faith-based education follows Georgia Performance Standards; 90% of students exceed their individualized goals.

Mother Teresa Exhibit

*The panel exhibition is an historical presentation, chronicling Mother Teresa's life from childhood to beatification by the Catholic Church. It consists of more than 70 panels and a relic. It recounts her beatification and includes the message she offered to the world through the presentation of citations from her writings. Open to all.*
